

LEE COUNTY

# **Capital Improvements Element 2020 Annual Update: Financial Report & Community Work Program**

**Lee County, GA**

**Final-January 26, 2021**

Attached is the Lee County CIE - Capital Improvement Element annual update for fiscal year 2020 consisting of a financial report, as required by the Development Impact Fee Act, and an updated community work program, as required by DCA's impact fee compliance requirements.

## Adoption Resolution

### *Capital Improvements Element Annual Update*

#### *Lee County, Georgia*

WHEREAS, Lee County adopted a Capital Improvements Element as an amendment to the *Lee County Comprehensive Plan*; and

WHEREAS, Lee County has prepared a fiscal year 2020 Annual Update to the adopted Capital Improvements Element; and

WHEREAS, the Capital Improvements Element Annual Update was prepared, submitted and reviewed in accordance with the "Development Impact Fee Compliance Requirements" and the "Minimum Planning Standards and Procedures for Local Comprehensive Planning" adopted by the Board of Community Affairs pursuant to the Georgia Planning Act of 1989;

BE IT THEREFORE RESOLVED, that the Board of Commissioners of Lee County does hereby adopt the Capital Improvements Element Annual Update, as per the requirements of the Development Impact Fee Compliance Requirements.

Adopted this 26 day of January 2021.

This Capital Improvements Element Annual Update has been prepared based on the rules and regulations pertaining to impact fees in Georgia, as specified by the *Development Impact Fee Act* (DIFA) and the Department of Community Affairs (DCA) documents *Development Impact Fee Compliance Requirements and Standards and Procedures for Local Comprehensive Planning*. These three documents dictate the essential elements of an Annual Update, specifically the inclusion of a financial report and a schedule of improvements.

According to DCA's Compliance Requirements, the Annual Update:

"must include: 1) the Annual Reporting impact fees required under O.C.G.A. 36-71-8; and 2) a new fifth year schedule of improvements, and any changes to or revisions of previously listed CIE projects, including alterations in project costs, proposed changes in funding sources, construction schedules, or project scope." (Chapter 110-12-2-.03(2)(c))

This Annual Update itself is based on The County of Lee *Capital Improvements Element*, as amended by the County in December 13 of 2011.

### Financial Report

The Financial Report included in this document is based on the requirements of DIFA, specifically:

"As part of its annual audit process, a municipality or county shall prepare an annual report describing the amount of any development impact fees collected, encumbered, and used during the preceding year by category of public facility and service area." (O.C.G.A. 36-71-8(c))

The required financial information for each public facility category appears in the main financial table (page 2); each of the public facility categories has a single, county-wide service area. The status of all impact fee projects, by public facility category, is shown on the tables on pages 3, 4 and 5.

The County's fiscal year runs from July 1 to June 30.

### Schedule of Improvements

In addition to the financial report, the County has prepared a five-year schedule of improvements—a community work program (CWP)—as specified in DCA's Compliance Requirements (Chapter 110-12-2-.03(2)(c)), which states that local

governments that have a CIE must "update their entire Short Term [i.e., Community] Work Programs annually."<sup>1</sup>

According to DCA's requirements<sup>2</sup>, the CWP must include:

- A brief description of the activity;
- Legal authorization, if applicable;
- Timeframe for undertaking the activity;
- Responsible party for implementing the activity;
- Estimated cost (if any) of implementing the activity; and,
- Funding source(s), if applicable.

All of this information appears in the Community Work Program portion of this document, beginning on page 6.

<sup>1</sup> Note that DCA's Compliance Requirements specify that the work program is to meet the requirements of Chapter 110-12-1-.04(7)(a), which is a reference to the work program requirements in a previous version of the *Standards and Procedures for Local Comprehensive Planning*. The correct current description is found at Chapter 110-12-1-.04(2)(b)1.

<sup>2</sup> Chapter 110-12-1-.03(3).

Georgia, *Lee County*

**Transmittal Resolution  
Capital Improvements Element Update  
Lee County, Georgia**

*Whereas*, Lee County adopted a Capital Improvements Element as an amendment to the *Lee County Comprehensive Plan*; and

*Whereas*, Lee County has prepared an Annual Update to the adopted Capital Improvements Element; and

*Whereas*, the Capital Improvements Element Annual Update was prepared in accordance with the "Development Impact Fee Compliance Requirements" and the "Minimum Planning Standards and Procedures for Local Comprehensive Planning" adopted by the Board of Community Affairs pursuant to the Georgia Planning Act of 1989, and a duly advertised Public Hearing was held on November 10, 2020 at the Southwest Georgia Regional Commission.

**BE IT THEREFORE RESOLVED** that the Board of Commissioners of Lee County does hereby submit the 2020 Capital Improvements Element Annual Update to the Southwest Georgia Regional Commission for Regional and State review, as per the requirements of the Development Impact Fee Compliance Requirements.

Adopted this 10 day of November, 2020

Pastor of New Hope Baptist Church

*Do Right!*

"If the foundations be destroyed, what can the righteous do?" - Psalm 11:3

By the time this article goes to print, the voting for the next President of the United States of America will have concluded. We will have either voted in Capitalism or Socialism, Law & Order or Anarchy, Liberty & Freedom or Big Government. The very foundations of America may be undone and destroyed beyond repair. What happens if we do not get the President we desired or voted for? What happens if the streets are filled with chaos and bloodshed?

What happens if evil prevails and wickedness reigns? What can the righteous, the saints of God, do?

Do not despair, do not complain, but "in everything give thanks; for this is the will of God in Christ Jesus concerning you" (1 Thess. 5:18).

Thank God for the new President, whoever he might be.

"I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority: that we may lead a quiet and peaceable life in all godliness and honesty.

For this is good and acceptable in the sight of God our Saviour. Tim. 2:1-3)

Spurgeon called the eleventh chapter of Psalms the "Psalm Steadfast". We maintain "steadfast, unchangeable, always abounding in the work of the Lord" (1 Cor. 15:58)

Jonathan M. LaBarge

"In the LORD put trust". Come what what can the righteous do? You can trust God of Heaven!

The earthly throne change, and the li of demarcation st regularly, but loo heavenward and throne of God. F on his throne. H He knows, He al "The LORD is in holy temple; the throne is in heav eyes behold his try, the children (Ps.11:4). The w will not go unpu and the righteous be forsaken.

Stay on track. in your Bible. C living your life: believer should. the righteous L loveth righteous

# 5 safety tips for medications in y

(BPT) - Did you know that 70,980 Americans died from drug overdoses in 2019? The Centers for Disease Control and Prevention reported that figure, citing over 194

drug-related deaths in the U.S. every day last year. And unfortunately, the COVID-19 pandemic has only increased the dangers posed by misuse or abuse of drugs in

the home. Beyond the fact that the pandemic has temporarily closed resources such as drug drop-box sites and take-back day events, opioid and other drug misuse risks have also increased due to financial and emotional stressors such as isolation and unemployment.

Any medications in the home carry the risk of someone misusing them, whether accidentally or on purpose. According to the National Institutes of Health, an estimated 92% of post-surgical prescriptions went unused, making them available for potential misuse. And according to a Journal of the American Medical Association study, over 60%

of people with leftover prescription opioids kept pills for future use rather than disposing of them, with one in five admitting they shared medication with someone else.

How can you help prevent drug misuse? Here are tips to keep your home safer for everyone.

1. Store medicines securely

While many store medications in a medicine cabinet, humidity levels in a bathroom can actually break down medications, making them

less effective. tion, storing n medicine cabi them suscepti by anyone ent home looking Storing prese medications i table may als venient, but a them open fo abuse.

This is espe if you have cl ing in or freq iting your ho to keep all m including vit high cabinet out of harm's

2. Discard safely

Go throug tion and over er medicatio to identify le expired med helps preven or purposefu which protec entire family

To safely d medicines, t
